

CLASSIC ADRENALIN M 20W-40 4T

Mineralbased 4-stroke engine oil SAE 20W-40.

Description

CLASSIC ADRENALIN M 20W-40 4T is a mineral based high performance motorcycle oil with a perfectly adjusted viscosity and a modern pack of additives which guarantees a high performance level for this oil.

Application

CLASSIC ADRENALIN M 20W-40 4T was specially developed for the use in four stroke motorcycle engines with wet running oil-bath clutches. Through the high thermal stability it is especially suitable for air-cooled motorcycle engines and achieves an excellent clutch performance through its friction coefficient requirements with JASO MA2. **CLASSIC ADRENALIN M 20W-40 4T** gives excellent corrosion- and wear protection for engine and gearbox and also a high protection against oxidation through the, for this lubricant selected, base oils and additives.

Properties

- Stable lubricant film even with hot oils and under high load
- Shear-stable "stay-in-grade"
- Mixable and compatible with other brand motorcycle oils
- To keep the best performance a complete oil change is recommended

Product data

Properties	Unit	20W-40*
Color		Red
Density 15 °C	g/cm ³	0,875
Viscosity 40 °C	mm ² /s	111
Viscosity 100 °C	mm ² /s	14,5
Viscosityindex		131
Pourpoint	°C	-36
